

Job Description

- An outdoor advertising company providing clients with advertising opportunities through billboards, street furniture displays, transit displays and other out-of-home (OOH) advertising displays. One of the US nation's largest OOH companies, with over 70,000 outdoor and airport displays reaching \$135m Americans weekly in over 65 markets. The company is headquartered in San Antonio, TX.
- \$24B in revenues.
- Comprehensive benefits package: medical, dental, vision, family leave of absence, life insurance, 401K with employer match, bonus program, strong growth pathing, PTO.

Requirements

- Bachelor's degree in Accounting or related field.
- Achieved or is working towards professional certification such as CIA, CISA, CPA and CFE, or an advanced degree in a relevant field.
- 3+ years related audit experience preferred. Previous internal or external audit experience is preferred.
- Understanding and experience of internal controls and risk-based auditing.
- Program management experience with demonstrated ability to handle multiple projects.
- Previous experience with Audit Board or other GRC solution.
- Exposure to IT Audit concepts.
- Intermediate knowledge of audit testing and documentation, including audit program development, SOX testing, performing site audits, data analytics, and reviews of functional business operations.
- Ability to thoroughly document business processes.
- Strong analytical, written, and verbal communication skills.
- Understanding of industry best practices and process improvement concepts.
- Business acumen and interest in the advertising/media industry and an understanding or awareness of the current issues/risks it is facing.
- Applies company strategy and established policies and procedures to recommend improvements to a wide range of issues in practical ways.
- Ability to work with different levels of management within the organization and communicate business risks in a way others will understand.
- Operates with supervision. Performs tasks with some oversight. Proactively manages deadlines to drive projects to conclusion, escalates issues or roadblocks in a timely manner, and proactively keeps managers informed of status. Ability to successfully work and promote inclusiveness in small groups.
- Ability to utilize data to support audit conclusions.
- Bilingual (fluency in English and Spanish) is strongly preferred, but not required.
- Project Management experience: Planning, implementing, monitoring, and completing projects, ensuring effective management of scope, resources, time, cost, quality, risk, and communications.
- Experience Improving Business Processes: Continually seeking new ways to enhance performance, improve results, and/or transform the business and the industry in which it operates.

- Thinking Strategically: Seeing and synthesizing different sides of an issue, examining the full range of options and outcomes, and building intellectual frameworks to guide analysis and action.
- Adaptability: Adapting in order to work effectively in ambiguous or changing situations, and with diverse individuals and groups.
- Fostering Communication: Listening and communicating openly, honestly, and respectfully with different audiences, promoting dialogue and building consensus.
- Business Perspective: Using an understanding of business issues, processes and outcomes to enhance business performance.
